EXPLANATION

ENTRY NUMBER. Documents are referred to by entry numbers in the index to this Check List. Entry numbers do not appear on the documents and should not be used in citations.

LANGUAGE OF ISSUE. The language editions in which a document is issued are indicated as English (E), French (F), Russian (R), or bilingual English-French (E&F) texts.

DOCUMENT SYMBOL AND SHORT TITLE. The official document symbol number precedes the title entry. This symbol should be used in citing documents. In the case of publications without document symbol numbers, titles should be cited together with the session number, issue number, supplement number, and volume number, whichever is included in the entry. Title entries have been standardized and shortened or expanded in order to clarify the meaning of the titles and the authorship of the documents, so the entries do not always conform literally to the actual documentary titles. The collation shows the pagination of the English text only. The date appearing on each document below the document symbol number is usually the date of registration of the documentary text with the Bureau of Documents for publication and translation and should be the same in all language texts. The date of registration closes each entry. Corrigenda

and revisions usually are grouped with the parent document in the same entry. Corrigenda are corrections of errors in the text, title, date and classification of documents, emendations of the translation, and additions of omitted text. Addenda include supplementary material, such as annexes, tables, and other additional communications. Revisions are texts revised through formal amendment, or new editions prepared by the submitting delegation or by the Secretariat.

REPUBLICATION NOTES indicate the republication of whole documents in other documents or in the Official Records. In the case of resolutions only their republication in collected sets is indicated, in the case of draft resolutions no attempt is made to note the inclusion of their texts in the verbatim records of meetings.

RESTRICTED Documents of "restricted distribution" are indicated in this Check List by a black dot (●) before the symbol.

INTRODUCTORY NOTES give a short parliamentary history of the Fund and describe briefly each Committee, including the date of its appointment, citing its terms of reference, naming its members and officers, listing its reports and document series symbol (if any), and tabulating its meeting records.

1Establishment and Composition

The United Nations International Children's Emergency Fund was created by the United Nations on 11 December 1946 on adoption of Resolution 57 (I) at the 56th plenary meeting of the General Assembly. The Fund is administered by an Executive Director under policies established by an Executive Board, in accordance with such principles as may be laid down by the Economic and Social Council and its Social Commission.

In 1948 the functions of the Fund were enlarged on adoption of General Assembly Resolution 215 (III) on 8 December 1948 which allocated the proceeds of national collections under the name United Nations Appeal for Children to UNICEF and requested the Fund to assist in the conduct of such national campaigns.

Executive Board. The following Governments were designated members of the Executive Board in General Assembly Resolution 57 (I): Argentina, Australia, Brazil, Byelorussian Soviet Socialist Republic, Canada, China, Colombia, Czechoslovakia, Denmark, Ecuador, France, Greece, Iraq, Netherlands, New Zealand, Norway, Peru, Poland, Sweden, Ukrainian Soviet Socialist Republic, Union of South Africa, Union of Soviet Socialist Republics, United Kingdom of Great Britain and Northern Ireland, United States of America, and Yugoslavia. The membership was later increased to twenty-six when Switzerland, on the recommendation of the Executive Board, was designated a member of the Economic and Social Council on 29 March 1947, on adoption of Resolution 44 (IV).

Executive Director. The Secretary-General of the United Nations, after consultation with the Executive Board, appointed Mr. Maurice Pate as Executive Director of the Fund in January 1947 for a term of two years. Mr. Pate was re-appointed by the Secretary-General in 1949. Mr. E. J. R. Heyward was appointed Deputy Director in 1949.

Secretariat. In accordance with provisions of General Assembly Resolution 57 (I) the staff and facilities required for the administration of the Fund are provided by the Secretary-General of the United Nations.

UNITED NATIONS APPEAL FOR CHILDREN

402

The General Assembly in Resolution 48 (I) established at its 56th meeting, 11 December 1946, a Special Technical Committee on Relief Needs after the Termination of UNRRA. The Special Committee which met 18 December 1946-23 January 1947 recommended in its report (document E/269, Annex 1) a One Day's Pay Collection.

The Economic and Social Council, after consideration of the Secretary-General's reports (documents E/269 and E/300) on the proposal of the Special Committee, approved in principle a special world-wide appeal for non-governmental voluntary contributions in Resolution 45 (IV) adopted 29 March 1947, and requested the Secretary-General to report to the fifth session of the Council on the progress of the project.

The Secretary-General's report to the 5th session of the Economic and Social Council (document E/464 and Add. 1 and 2) sets out the organization of the Appeal, establishes the name as the United Nations Appeal for Children, and reports that Mr. Aake Ording had been appointed Executive Director of the Appeal by the Secretary-General.

Acting on this report the Economic and Social Council at the 89th plenary meeting of the 5th session, 22 July 1947 appointed a Committee on the One Day's Pay Proposal (See Check List of United Nations Documents, Part 5, No. 1, entry 40).

The Economic and Social Council considered the report of this committee (documents E/516 and E/516/Rev.1, on meetings held 25 July - 6 August 1947) at its 106th and 109th plenary meetings of the 5th session, 5 and 8 August 1947 and by adoption of Resolution 80 (V) established a) an International Advisory Committee (See entry 403) and b) a Special Committee on the United Nations Appeal for Children (See Check List of United Nations Documents, Part 5, No. 1, entry 45).

The Special Committee and the Secretary-General reported to the 6th - 9th sessions of the Economic and Social Council as follows on the 1948 Appeal:

Special Committee reports	Secretary-General reports	Approved by ESC Resolution No.
E/629	E/643	127 (VI)
E/825	E/861	162 (VII)
E/1189 and Corr. 1	E/1214 and Add. 1 and 2	207 (VIII)
E/1365	E/1346 and Corr. 1 and 2	258 (IX)

The United Nations Appeal for Children was extended into 1949 with the proceeds solely for the benefit of UNICEF, by General Assembly Resolution 215 (III) adopted at the 177th plenary meeting, 8 December 1948, which requested UNICEF to assist in the conduct of national campaigns with a view to providing international co-ordination of voluntary governmental and non-governmental appeals for the benefit of children and to report to the 9th session of the Council and the 4th regular session of the Assembly.

The report of UNICEF (document E/1406, entry 278) stated that the Executive Board, in order to carry out General Assembly Resolution 215 (III), had established a Committee on Voluntary Fund Raising on 3 February 1948 (See entry 304), and had created the post of Co-ordinator of the United Nations Appeal for Children on 15 February 1949 (document E/ICEF/W.59, entry 238). Col. A. G. Katzin filled this post till early in June when Maj.-Gen. Lowell W. Rocks took over.
